Titis Premier Palace Hotel Kemer, Antalya - TURKIYE

Sustainable Machining
Modelling of Machining Operations
Mechanics, Dynamics and Stability of Machining
Optimization in Machining Operations
AI, Data-Driven and Digital Twin Applications in Machining
VR / AR Applications in Machining Processes
Advanced CAM Applications
Micro and Nano Machining
Machinability of Materials
Surface Integrity
Cutting Tool Technologies
Abrasive Processes
Machine / Tool Design
Nonconventional and Hybrid Machining Processes
