

12<sup>th</sup> International Congress on Machining

UTIS

1-3 NOVEMBER 2024

Jurri Premier Palace Hotel, Kemer, Antalya- TÜRKİYE

*Sustainable Machining*  
*Modelling of Machining Operations*  
*Mechanics, Dynamics and Stability of Machining*  
*Optimization in Machining Operations*  
*AI, Data-Driven and Digital Twin Applications in Machining*  
*VR / AR Applications in Machining Processes*  
*Advanced CAM Applications*  
*Micro and Nano Machining*  
*Machinability of Materials*  
*Surface Integrity*  
*Cutting Tool Technologies*  
*Abrasive Processes*  
*Machine / Tool Design*  
*Nonconventional and Hybrid Machining Processes*
